U.S. DEPARTMENT OF AGRICULTURE
Agency Memorandum No. 2

Production Goals Committees

Although Administrator's Memorandum No. 27, Revision 1, transfers to the Agricultural Adjustment Agency the responsibility for developing production goals, no change is contemplated in the general procedures heretofore in effect.

Except for such changes in personnel as may be necessitated by the reorganization, I am reaffirming the committees already established and asking them to continue their activities with respect to 1945 production goals. These committees are as follows:

COTTON

	TEL.	ROOM
C. D. Walker (AAA) Chairman	2072	5977 South
